## WORK EXPERIENCE

### Medtronic

Minneapolis, MN

*Associate Supply Chain Project Analyst*

January 2021 – Present

- Built and managed over 10 Power BI dashboards supporting a procurement team
- Created and maintained 3 Power Apps user interface applications for project tracking and other needs
- Developed over 5 back-end data feeds using SQL and an Oracle database system

*Associate Category Manager (OEM-Commercial Off The Shelf Components)*

July 2021 – April 2022

- Negotiated contracts and pricing with suppliers for a portfolio of components with about \$17,000,000 of annual spend
- Conceptualized and supervised a Category Strategy for about 500 components
- Ensured supply continuity of components through the COVID-19 pandemic, the labor shortage, and material shortages

*Supply Management Intern*

June 2020 – August 2020

- Developed an automated Power BI dashboard housing over 30 Key Performance Indicators
- Introduced a Business Continuity Plan using lessons learned from the COVID-19 pandemic for future crisis situations
- Established a Supplier Communication File with over 5,000 contacts and establishing regular governance

### Optum (UHG)

Eden Prairie, MN

*Operations Analyst/Project Management Intern*

June 2019 – December 2019

- Assisted in managing projects providing an estimated \$20 million in savings for clients
- Lead weekly meetings with over 30 participants
- Composed Excel Macros to partially automate my team's reporting and reduced the reporting time by 50%
